

THE UNSEALING OF DANIEL

DANIEL 12

- Vs. 1-4 are actually the closing of Chapter 11.
- V. 4 -Luther's version
- Vs. 5-7 -The vision of two sides of the flood (Rev. 12)
- Vs. 8,9 -The time-lock on Daniel
- Vs. 9,10 -The trials of removing the seal:

- 1799 (v.9) Step 1
- 1829 (v.11) Step 2
- 1846 (8:13,14) Step 3 (Note in v. 16 the link to the river or flood of Chapter 12)
- 1874 (v.12) Step 4 (NOT re second advent - though coincident with it; about OPENING!)

REVELATION 10

- Vs. 2,5,6 = end of restrictions in Daniel 12
- PARENTHETICAL { V.3 = Time of Trouble of Daniel 12:1
- V.7 { V.4 UNLIKE Daniel, sealed with NO promise of opening "BUT" ...
- 7th = 1874 = 1335, TRULY OPENED
- Therefore: Vs. 6,7 are history from 1799-1874:
- GRADUAL OPENING
- V.8 returns to 1799
- Vs.9,10 Prophecy of 1799 to 1829 to 1846 to 1874
- V. 11 The ONE exception
- Vs. 10,11 shows there would be TWO Daniel witnesses: Miller in 1845 and Russell in 1914. One failed; the other did not.

REVELATION 11

This chapter EXTENDS the discussion of the GRADUAL unsealing.

- V.1 - Church given 1799 prophecy-measuring rod
- V.11 - Scriptures come to life (Bible Societies)
- V.15 - Ends with 7th Angel (as Chapter 10 redicted)
 - Chapter 10 predicted his bringing an end to the Daniel "mystery"
 - Chapter 11 predicts his announcement of Michael's STANDING UP.

REVELATION 12 & 13

These two chapters confirm the power of the Time of the End in opening Scripture as a tool against Apostate error:

12:14-16
13:5
